REGULATIONS

THE NEW SCHOOL

NEW YORK

LINO TYPE

THE NEW SCHOOL

NEW YORK

RULES, ORDERS, REGULA- TIONS, &c.

THAT the Board of Governors and Directors, held every Friday Fortnight in the Vestry-Room, examine all the Accounts which have been previously laid before the Committee; that they order all Payments; consider what Manufactures or Employments may be carried on in the School, and what Improvements may from Time to Time be made therein, and in the Management of the House, and to transact all Business relating thereto.

THAT there be a Committee held at the School-House every Tuesday Fortnight, and oftener if Occasion shall require, with Power to adjourn from Time to Time, as they shall think necessary; that they receive and examine all Bills for such Goods as the Matron shall certify she has received into her Care; that they see the Children are employed in such Manufactures or Business as the Board shall have approved of; and also, that the Girls are taught Household, Kitchen, and Laundry Work in Rotation, and to sew, knit, mark, mend, and make their own and the Boys' Linen, and their own Cloathing; inspect the Conduct of the Matron, School-master,

School-mistress and Assistant, Cook, Porter, and Household Servants; enquire if the Provisions are weighed and measured when brought in, and if good in their Kind, according to the Samples; hear and redress Complaints; and examine from Time to Time whether all the Rules, Orders, and Regulations, for the well-governing the School and House are duly observed; and that they lay the Minutes of their Proceedings before the Board at their Meetings.

III. THAT there be a general Visitation and Examination of the Children Half-yearly, on or before the 20th Day of June, and 20th Day of December.

IV. THAT no Child be admitted into the School, on any Pretence whatever, but from the Nurseries in the Country, or from the Work-House, and that all such last-mentioned Children shall have their Cases first laid before the Committee at the Work-House, and by them recommended to the Board, and that at such Board there shall always be produced a Certificate, in Writing, signed by the Clerk, that the Place of their last legal Settlement is on the Parish, also a Certificate, in Writing, signed by the Surgeon or Apothecary, that such Children are free from any Disorder, and that they have had the Small-Pox, and likewise a Certificate, in Writing, signed by the Messenger, of the particular Situation, Character, and Manner of Life, of their Parents, Brothers, and Sisters, and other Relations, for the Information of the Board, which Certificates shall be entered in a Book, and Copies thereof transcribed by the School-master into the Admission-Book, which Admission-Book shall be laid before every Committee.

V. THAT

- V. **THAT** no Child shall be admitted under the Age of Six Years, nor above the Age of Twelve, except those, who on Account of ill Health, have been sent into the Country to be nursed, and return well.
- VI. **THAT** One of the Garrets be appropriated for any of the Children who may have a slight Disorder; but if any of them have a bad Fever, or any epidemical or cutaneous Disorder, that they be immediately sent to the Sick-Room.
- VII. **THAT** the Children be called up by Ring of Bell every Day, except Sundays, Good-Friday, and Christmas Day, at the Hour of Five from Lady-Day to Michaelmas, and at the Hour of Six from Michaelmas to Lady-Day.
- VIII. **THAT** the Boys and Girls bathe alternately in the Morning when the Season will permit them so to do.
- IX. **THAT** the Girls go to Berwick Street Chapel on the Sunday in the Morning during the Winter Half-year, and the Boys in the Afternoon, and that they go alternately in the Morning and Afternoon during the Summer Half-year, except on the Days appointed for Charity Sermons at that Chapel, and then that they all go to Saint James's Church both Morning and Afternoon, and that the School-master always go with the Boys, and the School-mistresses with the Girls.
- X. **THAT** the Servants under whose Care the Children respectively are placed, do cause their Hands and Face to be washed every Morning,
their

their Hair combed, their Shoes and Buckles cleaned, and their Shoes and Buckles changed, and Cloaths mended, and their Persons, particularly their Heads, Hands, and Feet, free from Dirt of every Kind, not only for the Benefit of their Health, but that they may early in Life learn a Habit of Cleanliness.

XI. THAT the Assistant School-mistress examine all the Girls, and the School-master all the Boys, at their coming into the School, and if any of them are sent otherwise than was in the last Rule directed, that they send for the Servant under whose Care they shall be, and after proper Admonition, cause her immediately to do what she shall have so omitted, and for a second Offence, if any such ever happen, to make a Report to the Committee, or the Fault will be imputed to the School-mistress or School-master themselves.

XII. THAT the Prayers used in the Church of England be read by the School-master and the School-mistress in their respective School-rooms to all the Children at Eight o'Clock every Morning, and every Evening after Supper, and that all the Children say the Lord's Prayer in the Dormitory immediately before they go to Bed.

XIII. THAT the Children be taught the Church Catechism, and Bishop Williams's Exposition thereof, and that such as are capable learn the Collect for the Day every Sunday. That every Sunday Morning and Afternoon a Portion of Scripture, or some religious Tract or Sermon, as the Rector from Time to Time shall be pleased to direct, be read to such of the Children as are not

not at Chapel, in Rotation by the Children, in the Presence of the School-master or School-mistress.

XIV. THAT the Children breakfast at Eight, dine at Twelve, and sup at Six all the Year in the School-rooms; and that they go to Bed an Hour after Supper in the Winter, and Two Hours after Supper in the Summer; and that the School-master and School-mistress, respectively, be always present with the Children at their Meals; and that they take the utmost Care there be no Waste, and if any Bread, Beer, or other Victuals be left, that it be reserved for the next Meal; and that the Matron visit the Children frequently at their Meals, and take Care that this Rule be duly observed.

XV. That the Children's Diet be as under, viz.

SUNDAY.

Breakfast, 1 Pint of Broth, and 1 Loaf to 20 Children.
 Dinner, 6 Oz. Meat with Greens or Potatoes, $\frac{1}{2}$ Pt. Small Beer, and 1 Loaf to 12 Children.
 Supper, 1 Pint of Broth, and 1 Loaf to 20 Children.

MONDAY.

Breakfast, 1 Pint of Broth, and 1 Loaf to 20 Children.
 Dinner, 1 Pint of Milk-porridge, and 1 Loaf to 20 Children.
 Supper, 1 Oz. of Butter, $\frac{1}{2}$ Pint of Small Beer, and 1 Loaf to 12 Children.

TUESDAY.

TUESDAY, THURSDAY, and SATURDAY.

Breakfast, 1 Pint of Milk-porridge, and 1 Loaf to 20 Children.

Dinner, 6 Oz. Meat with Greens or Potatoes, $\frac{1}{2}$ Pt. Small Beer, and 1 Loaf to 12 Children.

Supper, 1 Pt. of Broth, and 1 Loaf to 20 Children.

WEDNESDAY and FRIDAY.

Breakfast, 1 Pint of Broth, and 1 Loaf to 20 Children.

Dinner, 1 Pint of Milk-porridge, and 1 Loaf to 20 Children.

Supper, 2 Oz. of Cheese, $\frac{1}{2}$ Pint of Small Beer, and 1 Loaf to 12 Children.

XVI. THAT the Matron, School-master, and School-mistress dine at One precisely every Day, except Sundays, and on that Day at Two, and that the Servants dine immediately after them in the Kitchen, on what shall come from their Table.

XVII. THAT the Children, in Rotation, allotted for that Purpose by the Matron, clean the School-rooms after Dinner.

XVIII. THAT the Beer be worked off and bunged up before it be brought into the House.

XIX.

XIX. THAT the Cook take Care of the Kitchen Stuff, and that the Matron take Care that it be sent to the Tallow-Chandler's, and the Value thereof be deducted from his Bill,

XX. THAT the School-master shall class the Boys that can read, and the School-mistress the Girls, according to the Progress they have made, Nine in a Class; and that they often hear and instruct such Children as cannot read, till they are qualified to class with the Rest.

XXI. THAT immediately after any Children are admitted into the School, the Assistant-Mistress begin and diligently instruct them to read, knit, mark, and sew, and to make and mend their own and the Boys' Linen, and their own Cloaths; and that when so instructed and put under the immediate Care of the principal Mistress, they be employed to make such Linen as may be brought into the School for the Benefit of the Parish School of Industry.

XXII. THAT the School-master instruct all the Boys to read, write, and cypher, and that he divide those who are capable to work at such Manufactures as the Governors and Directors of the Poor have or shall be pleased to appoint, into five Divisions during the Summer Season, and into Four during the Winter, each Division to be employed in the School Business for the space of One Hour and a Half each Day, and that he instruct all the Girls to write and cypher who are above 10 Years of Age, two Afternoons in each Week.

XXIII.

XXIII. THAT the Matron shall, the first Monday in every Month, put so many Children, being arrived at the Age of Ten Years, in Rotation, as shall be necessary and capable, under the Care of the Cook, to be instructed and assist in the Work done in the Kitchen, and so many as shall be necessary, under the Care of the Servants, to be instructed and assist to do all Sorts of Household Work, and so many in the Wash-house and Laundry as shall be necessary, to be instructed and assist to wash, iron, and mangle Linen.

XXIV. THAT none of the Children be permitted to go out on any Pretence whatever, except to Church or Chapel, or upon a Representation being made to the acting Overseer, that their Parents or near Relations are in a dying State, and that he transmit such Representation to the Clerk, who shall thereupon immediately cause Enquiry to be made by the Messenger, or in his Absence, One of the Beadles, of the Truth thereof, and if it shall appear as represented, that then the said Messenger, or One of the Beadles, do take such Child to see his or her dying Parents or near Relations, and after a reasonable Time allowed for the Visit, the Messenger or Beadle to bring the Child back to the School.

XXV. THAT after School Hours the Children shall have free Liberty to play in the Garden in the Summer, and in the School-room in the Winter, provided they do not use bad Language, or otherwise misbehave themselves, or throw Stones.

XXVI.

XXVI. THAT the Parents, Relations, or Friends of the Children be only permitted to see them on Sundays, between Dinner and Church-time; and the Porter is hereby strictly enjoined to see this and the last Rule faithfully carried into Execution.

XXVII. THAT the Committee at their Meetings, and the several Members thereof, on their occasional Visitations, examine the Children apart from the Officers and Servants of the House, to know if they have any Cause of Complaint, and if any Complaint shall be made to them, that they immediately enquire into and redress the same, and report their Proceedings to the next Meeting.

XXVIII. THAT the Parents, Relations, and Friends of the Children be absolutely forbid to come after, or speak to the Children either in Church or Chapel, or in the Streets, when they are going to or returning from thence.

XXIX. THAT the Matron shall have the general Inspection and Care of the House, and shall take Care that the Children rise and go to Bed, and have their Meals at the appointed Times; that they are kept clean and decent, and are taught, instructed, and employed, according to the Rules of the House, and as the Board shall from Time to Time direct; and that all the Officers, Servants, and Children pay due Obedience to all the Rules; and upon any Failure therein, shall make Complaint thereof, in Writing, to the next Committee, otherwise the Damages or Inconveniences that may ensue, will be imputed to herself.

XXX.

XXX. THAT the Servants do obey the Directions of the Matron, or in Default thereof, that she dismiss them and hire others in their Stead.

XXXI. THAT the Matron shall order all the Provisions, agreeable to the Table, and see them weighed and laid up, and that the Cook properly dress, and, assisted by the Servants and Children as beforementioned, distribute the same, and see that there be no Waste, and that no Bread be cut under a Day old, and that the Kitchen and Pantry and the Utensils therein and in the House, be kept sweet, clean, and decent.

XXXII. THAT the Matron examine the Goodness and Price of Provisions, and compare the Quantity of all Goods whatever with the Tradesman's Bills of Parcels.

XXXIII. THAT if any Article shall be sent in not of the Quality or Goodness agreed for, or in any Respect inferior to the Samples, that the Matron immediately, in Writing, acquaint the acting Overseer and Clerk to the Board of Governors thereof.

XXXIV. THAT the Matron do thereupon return all bad Provisions, and report her Proceedings, in Writing, to the next Committee.

XXXV. THAT the Overseers be requested from Time to Time to examine all Goods and Provisions, and before the Goods are put into Stock compare the same with the Bills of Parcels and Samples, in order that the Board may be satisfied that every Article purchased is as good in its kind as agreed for.

XXXVI.

XXXVI. THAT if any Officer or Servant in the House shall take any Present from any of the Parents, Relations, or Friends of the Children, or from any Tradesman serving the House, that they be displaced.

XXXVII. THAT all the Goods, Cloathing, and Stores be under the Care of the Matron, and that she deliver out the Soap, Blue and Starch, Candles, &c. and see that there be no Waste, and that all the Linen be brought into the Laundry and there washed, and either ironed or mangled, and that every Child has a clean Shirt or Shift once a Week, and that the Beds are clean sheeted once a Month, and that no Linen be washed or hung up to dry in any of the Bed-Rooms.

XXXVIII. THAT all Necessaries for the Children, as Cloaths, Linen, and other Apparel, as well as all Household Goods wanted, and all Repairs and Alterations, be first laid before the Committee Quarterly by the Matron for their Consideration, and then if judged proper, laid before the Board for their Order; and that upon any emergent Occasion she acquaint the acting Overseer and Clerk to the Board of Governors thereof, who may direct any Matter to be done that cannot be delayed until the next Committee without imminent Danger or great Inconvenience, and that they report their Proceedings to the next Committee.

XXXIX. THAT a List of all wearing Apparel wanted by the Children be made out by the School-master and School-mistress respectively, and by them delivered to the Matron to examine, and if

if found right, that she lay the same before the Committee, previous to the same being ordered by the Board; and that all Cloaths be made according to the annexed Tables.

XL. THAT no Sheets, Wearing Apparel, or any Thing whatever, be deducted from the Stock delivered to the Matron, until the same be produced and examined by the Committee, and their Order obtained for that Purpose.

XLI. THAT all the Linen when made be marked before it is delivered out for Use, with the Words "*Saint James, Westminster.*"

XLII. THAT the Book-keeper do receive from the Matron, School-master, and School-mistress respectively, and once in every Fortnight lay before the Board and Committee an Account of all the Materials sent in for the Employment of the Children, and the Works done by them, and the Money earned for such Works, also an account of all Works done for themselves, that the Board and Committee may see that the Children are trained up to Labour and Industry; and that he Quarterly lay before the Board a general Account of the Quantity and Price of all Materials, and of the Work done and manufactured, with the net Profit thereof, in order that the same may be paid to the Treasurer.

XLIII. THAT an Inventory of the Goods, Furniture, and Fixtures be taken by the Book-keeper, assisted by the Matron, School-master, School-mistress, and Cook, and that he enter the same in a Book to be kept for that Purpose, which Inventory shall afterwards be examined by the Committee,

Committee, and that a like Examination be made annually a Week before Easter.

XLIV. THAT the Book-keeper adjust and compare the Tradesman's Bills with the Table of Provisions, and enter the same into the Book intituled "*State of the Parish School of Industry*;" that he examine and certify the Matron's Book of Stores received and delivered, and see that there be no Fraud or Waste.

XLV. THAT the School-master shall keep the Admission-book in the Manner herein directed, also an Account of all the Boys' Cloathing, and enter a Duplicate thereof in the Matron's Book, and when any Part wants mending, or is worn out, that he report the same to the Matron, that it may be mended or new Cloathing delivered in Lieu thereof; that he take Care the Boys rise and go to Bed at the appointed Hour, and when the Season will permit that they be bathed alternately with the Girls, and that they go to Work and to School in due Time; that he attend them to Church according to the Rules, and be present at their Meals; that he carefully examine them as herein before is ordered, and report to the Committee any he shall find not clean and decent; that he carefully instruct the Children according to the Rules, and take Care they are constantly employed until Six o'Clock in the Evening, except the Time allowed for Meals, and an Hour after Dinner to play, and also except Saturday Afternoon; that he give an Account to every Committee of the Children under his Care, and what Improvements they make in their Learning and Work, and of such as are particularly attentive to their Duty,

Duty, that they may have some Reward, and of such as are idle, or otherwise misbehave, that they may be admonished or punished, as the Committee shall think proper; that he lay the Children's Writing and Cyphering Books before every Committee and the Board every Quarter; and that he lay a general Statement of the Boys' Improvement before the Board every Year in the Months of June and December.

XLVI. THAT the School-mistress keep an Account of all the Girls' Cloathing, and enter a Duplicate thereof in the Matron's Book, and when any Part wants mending that she cause it to be done, and when worn out, deliver the same to the Matron; that she take care that the Girls rise and go to Bed at the appointed Hours, and when the Season will admit, that they be bathed alternately with the Boys, that they come to School in due Time, that she carefully examine them as herein before is ordered, and report to the Committee, any that she shall find not clean and decent, that she carefully instruct and constantly employ the Girls according to the Rules till Six o'Clock in the Evening, except the Time allowed for Meals, and an Hour after Dinner and Saturday Afternoon; and that she give an Account to every Committee of the Girls under her Care, and what Improvement they make in their Learning, and of those that are particularly attentive to their Duty, that they may be rewarded, and of such as are idle and misbehave themselves, that they may be admonished or otherwise punished, as the Committee shall judge proper, and that she lay a general State of the Girls Qualifications and Improvements before the Board every Year in the Months of June and December; and that she keep a regular and true Account of all Monies

nies received by her for Work done by the Children, with the Person's Name for whom such Work was done, the Day it was brought in, and the Time when finished and sent Home, which Account she shall deliver to the Book-keeper to examine; and that she shall quarterly pay the Money to the Treasurer; and that the second Mistress diligently assist her in all the above Business, and that they shall not both be out of the School at the same Time, except at Dinner-time only, and when with the Children at Church.

XLVII. THAT if any of the Children continue to be refractory, or misbehave themselves after being admonished or punished by order of the Committee, that they be discharged from the PARISH SCHOOL OF INDUSTRY, and sent to the Workhouse, and that they be not re-admitted on any Pretence whatsoever.

XLVIII. THAT the Porter shall carefully keep the Gate, and not suffer any of the Children to go out, or any of their Parents, Relations, or Friends to come to, or speak to them, except as is herein beforementioned; that he endeavour to prevent the Children from misbehaving themselves when at play or throwing Stones, and that he lock-up the Gate at Nine o'Clock in the Winter, and Ten o'Clock in the Summer every Night, and carry the Key to the Matron.

XLIX. THAT the Cook shall see all the Provisions weighed or measured in the Presence of the Matron, and dress all the Victuals sent in for that Purpose, and instruct the Children to the best of her Ability in Rotation, when sent by the Ma-

B

tron,

tron, to Cook and to do Kitchen Work, and that she take Care there be no Waste, nor Bread cut under a Day old, and if any Provisions be left at Meals by the Children, it be reserved for the next, and that she send all the Kitchen Stuff to the Tallow Chandler's, that the Value may be deducted from his Bill.

- L. THAT there be four Servants to do the Household and Laundry Work, that they take Care the Children get up at the appointed Hours, and that they comb the Children's Heads, and assist and see that their Hands and Faces are washed clean and wiped dry, and that they go to School as is herein beforementioned, neat, clean, and decent, and that they cause all the Children's Feet to be washed once a Week when the Season will not permit them to bathe, and that they instruct the Children to Wash, Iron, and Mangle Linen.
- LI. THAT on the Day Application is made to take the Children in the School on liking as Apprentices, the Apothecary carefully and strictly examine such of them as are so applied for, and certify on the same Day whether they are in a State of Health fit to be placed out, and if otherwise, that the utmost Attention be paid until they are fit to go, and that such Certificate be always produced by the Messenger and read at the Board, before their Consent is given to the Children being placed out.
- LII. THAT previous to any Child being admitted into the School, the Apothecary certify that such Child has had the Small-pox, in order that every Child who has not had the same may be inoculated previous to its Admission.

LIII.

LIII. THAT the Matron pay the greatest Attention to the Cleanliness and Warmth of the Children's Hands and Feet at the Beginning of every Winter, as the most effectual Means of preventing the Affection of Chilblanes.

LIV. THAT the Boys in particular have stout and good Shoes and Stockings to keep them perfectly dry, as also a Pair of Worsted Socks and Flannel Muffatees for each, and that upon the least Complaint of any of the Children, or if any Child has been more disposed than ordinary to tender or ailing Feet or Hands, the Surgeon and Apothecary be made acquainted with it, in Writing, by the Matron.

LV. THAT the Surgeon and Apothecary be empowered to employ as many Nurses for the Children when disordered as they shall think necessary, and that they discharge such Nurses and employ others, or totally discontinue them as the Nature of the Case may require, and that they make their Report in Writing to every Committee.

LVI. AND the Churchwardens and Overseers of the Poor for the Time being, and Clerk to the Board, are earnestly requested to visit the House, and often observe the foregoing Rules and Orders of the Board which shall be hereafter made, are executed, and make such Remarks or Observations, in Writing, concerning the same, as Occasion shall require; and that they also be requested to lay any Remarks and Observations before the next Board or Committee.

THAT the Mission pay the greatest attention to the Church and Welfare of the Indians and that the Missionaries be held responsible for the same.

THAT the Board in partnership have done and good stock and looking to a high percentage of the stock of the Mission and that the Board be held responsible for the same.

THAT the Board and Association be empowered to employ as many Agents as they think necessary and that they be held responsible for the same.

AND the Commission and Agents of the Board be held responsible for the same.
